Brand New Book ***** Print on Demand *****.Sophie will never have casual sex again. Her ex-lover had ravished her heart for two years before their painful break-up. Now he is back. Sophie refuses his advances but soon they come to an exhilarating primal arrangement. This story includes many scenes of rough domination of one woman by three men. Book Excerpt: Sophie was trapped on the massage table with her legs spread and her feet in stirrups. The three men had left the room and the little elfish servant was standing between her taut legs and examining her private parts closely. She closed her eyes. The strange little pervert moved in with his nimble fingers and started to explore her private parts and all the beautiful little nuances between her legs. His head was bent over and very close to her entrance while his fingers probed softly and meticulously but creepily around her delicate flower. Soon he was spreading her red lips and his fingers began probing alongside and just inside her opening. It was feeling astonishingly rude and lecherous at this point and Sophie was embarrassed at how aroused she felt. She lifted her head to look and .EEK. she saw his pointy face between her legs .and OMG. she was extremely startled to see the length of his huge purple pointed tongue that darted in and out of his mouth while he drooled and masterly fingered her opening. Sophie was now close to delirious. Was this for real? She looked again and sure enough his tongue was a giant, purple, throbbing appendage, It was thrusting rapidly in and out of his little mouth.
