It s often the end of our curiosity, at least. The people who really love Revelation often strike us as a bit.unbalanced. The complexity of the composition intimidates us. We d rather keep the polite company of the Gospels or the superhero stories of the Old Testament. We give up too easily. This isn t a commentary. It s a set of devotional forays into the bog of the book, which are meant to show us that Revelation is worth wrestling with. There s a beauty in this mystery, terrifying and pure. Engaging Revelation unlocks a more balanced perspective on the rest of the Bible. If you re brave enough to explore these haunted woods then you ll find that Revelation is the beginning.
